

## Iron County Register

IRONTON, MO. - APRIL 8, 1915.

E. D. AKE, EDITOR.

VOLUME XLVIII. NUMBER 44.

THE Republicans swept the country in the municipal elections Tuesday.

They tell us that, generally speaking, the wet members of the Missouri Senate are dry and the dry members terribly wet.

The late legislators saw it to add materially to the salaries of the judges of the state. It was the lawyer influence in that body. The state officers have much more claim to an increase in salary than the Supreme Judges.
